## **PODER PAC ENDORSES Sabrina Bousbar FOR CONGRESS IN FL-13**

*The only national political action committee solely dedicated to electing pro-choice Democratic Latinas to Congress, PODER PAC is the latest group to endorse Sabrina Bousbar's campaign.*

**WASHINGTON, DC** – Today, PODER PAC, the first and only political action committee founded by and for Latinas to elect pro-choice, Democratic Latinas to Congress, is announcing the endorsement of Sabrina Bousbar for Florida's 13th congressional district.

"Sabrina is dedicated to bolstering resilience and championing communities like hers, which are already experiencing the repercussions of climate change. She is running for Congress to ensure that every American enjoys the liberty to flourish in a secure, healthy community, with access to education, healthcare, housing, and employment opportunities that will empower every family to thrive." **said Ingrid Duran, PODER PAC Board Chair.**

"In times of crisis, Sabrina consistently answers the call to serve and take action. Her experience has fueled her desire to continue advocating for issues that significantly impact her community. Sabrina is the representative that the people of Florida's 13th congressional district need in Congress," **said Catherine Pino, PODER PAC Board Member.**

"As a daughter of immigrants, I'm honored to earn the endorsement of PODER PAC, an organization dedicated to electing Democratic pro-choice Latinas. The very freedoms and opportunities that my parents moved to this country in search of are under attack thanks to extremists like Anna Paulina Luna who's advocating for a national abortion ban, and our communities deserve representation in Congress who put people, not political games, first. I'm running for Congress to safeguard our rights and ensure every American has the opportunity to thrive and succeed." **said Sabrina Bousbar, candidate for U.S. Congress FL-13.**

*PODER PAC fuels innovative candidates who are determined to change the current political landscape and the institutions that govern us. Our empowered Latina candidates demonstrate a commitment to our Latino community and the inequities we face everyday.*

PODER PAC is the latest endorser to throw their support behind Sabrina Bousbar, joining Latino Victory Fund, Democrats Serve, and Voters of Tomorrow.

### **About Sabrina Bousbar**

Sabrina Bousbar is a public servant, preparedness and recovery expert, and organizer who has dedicated her life to bringing people together to solve problems. Born and raised in Pinellas County, Sabrina is the daughter of Moroccan and Colombian immigrants who came to the United States in search of a better life. She attended The Florida State University and earned a reputation as an effective voice for change on campus. As the product of a community already feeling the impacts of the climate crisis, Sabrina is passionate about boosting resiliency and preparing for the future. Eager to protect our beaches and the community she loves, she pursued and earned a Master's degree in Emergency & Disaster Management from Georgetown University. The only candidate with federal experience, Sabrina has seen the power of what's possible when we come together to overcome challenges and get things done. As a senior advisor in the U.S. Department of Health & Human Services' Administration for Strategic Preparedness and Response (ASPR), Sabrina served on the team responsible for leading the nation's public health preparedness for, response to, and recovery from disasters and public health emergencies. She supported federal, state, and local health agencies, working to ensure access to critical resources, vaccines, and supplies needed to save lives during the pandemic. Sabrina helped support communities recovering from mass shootings and natural disasters and provide direct relief to millions of American children, families, and seniors here in Florida and nationwide. In times of crisis, Sabrina answers the call to serve and takes action to get meaningful results. A public servant to her core, Sabrina is running for Congress so that every American has the freedom to thrive in healthy, safe communities – with the education, healthcare, housing, and jobs that every family needs and deserves.
